

# St. Jude Parish

321 West Butler Avenue  
Chalfont, PA 18914

---

November 15, 2017

Dear St. Jude PREP Families,

I am sure you are aware of the many tragic events that have been happening lately around the country in both public and private places.

In light of all of these challenging situations, I feel I must implement some changes to keep the St. Jude environment as safe as I can. To increase safety during **PREP** we are going to begin a new pick up system. This **PICK-UP** system is used in many other local parishes and works very well. With the assistance of Lori Rawski, Director of Parish Faith Formation, we are going to begin a new **Drop-Off** and **Pick-Up** procedure beginning January 8, 2018.

For **Pick-Up**: **anyone** entering the building must be listed on a Parent/Child Information Sheet and must show a photo ID to the person sitting inside the foyer. These forms were filled out in the beginning of the school year. If you need to add other people to your child's list, please send an email to the PREP office and they will add them for you, or you can fill out a new form. This form is on the St. Jude website, [www.stjudechalfont.org](http://www.stjudechalfont.org) under the PREP tab. The completion of dismissal will proceed as usual, simply go to the classroom to retrieve your children when the bell rings.

For **Drop-Off**: drivers can pull right into the circle in front of the school and drop off their children. We will have volunteers inside the building to direct the children to the cafeteria. If you wish you may still park in the parking lot and walk your children into the building.

Please be assured that there is no imminent threat to the St. Jude community. We are simply being proactive. Thank you so much for your help in keeping all of our children safe.

Please feel free to contact Lori Rawski at 215-522-9225, x 234 if you have any questions.

Sincerely yours in Christ,

*Msg. Francis W. Beach*
